

HUMAN ANATOMY & PHYSIOLOGY II LABORATORY

Donald M. Maser

Department of Natural Sciences
Miami Dade College - Wolfson Campus

Office: Room 1545 Phone: 305-237-7543 E-mail: dmaser@mdc.edu

LAB BOOKS: *Human Anatomy and Physiology Laboratory Manual*, Elaine Marieb
Anatomy & Physiology Revealed, Robert B. Broyles Jr.

GRADING FOR 2086 LAB

300 points --> 10 best quizzes @ 30 pts. each

FINAL GRADE AVG.

A	300 - 270
B	269 - 240
C	239 - 210
D	209 - 180
F	179 --->

ATTENDANCE POLICY

1. Students must attend all scheduled laboratory classes.
2. Students are responsible to actively participate in their weekly student-centered labs.
3. Your 1 lowest quiz score (out of the 11 quizzes taken) will be dropped.
4. No make-up quiz will be given for absences or arriving late to class, as this will become your dropped quiz.
5. The instructor reserves the right to drop any student who has missed 3 lab classes.
6. STUDENTS NEED TO BRING HEADSETS WITH THEM TO ALL LABS.
7. Science Resource Center – Room 2221 (anatomy lab models & free A&P tutoring)

LABORATORY SCHEDULE

Exercise 27: Endocrine Glands

Exercise 30 : Cardiovascular System - The Heart

Exercise 31: Heart Conduction System and Electrocardiography
Electrocardiography exercises with sensors

Exercise 32: Cardiovascular System - Blood Vessels

Exercise 33A: Blood Pressure and Pulse

Exercise 35: Lymphatic System and Immune Response

Exercise 36: Respiratory System

Exercise 37A : Respiratory System Physiology

Exercise 38: Digestive System

Exercise 39A: Chemical and Physical Processes of Digestion

Exercise 40: Urinary (Excretory) System

Exercise 41A: Urinalysis

Exercise 42: Male Reproductive System

Exercise 42: Female Reproductive System
