

THE 10 COMMANDMENTS

- *If you want you can.*
- *No one would do, no one could do what needs to be done by you.*
- *Right answer means nothing.*
- *Easy pays \$7.25.*
- *Be Math Confident.*
- *Do not show me the BOOK of EXCUSES to avoid to do what is needed to be done.*
- *Tell me what you brag about and I will tell you what you lack.*
- *If you want to find the solutions to your problems, look inside of you.*
- *We have, mandatory, to do two different things: DIE and PAY TAXES.*
- *The right sequence is to read the THEORY and then SOLVE PROBLEMS no other way around.*
- *If it is to be it is up to me.*
