

ELECTRONIC DEVICES: All electronic devices must be turned off and put away *before* entering class. This includes cell phones, iPods, MP3 players, etc. If you are found with an electronic device in use, you will be asked to leave the classroom immediately and will be marked absent for the day. If your device goes off during an exam, I will ask you to leave and you will receive a score of zero for the exam. This is your *first and only* warning.
